### H. A. C. MAY PLAY ON LABOR DAY

The trustees of the Honolulu Athletic Club held a special meeting last night for the purpose of considering a game of baseball for Labor Day.

It was stated that the Labor Day committee had offered a cash prize of \$50 to be given to the winning baseball team on September 2d. This prohibited the Honolulu Athletic Club from 6 month ..... 4 00 competing in the game on account of a clause in the by-laws which does not allow the teams of the club to play for a money prize.

The H. A. C. want to play ball on Labor Day and a committee consisting of Messrs. Crook and Thompson was accordingly sent to confer with the joint committees assembled in Mechanics' Hall.

They stated the case to the labor people and informed them that their club would be willing to play any other team in the city for a trophy to be exhibited in some store window.

One of the members of the Labor Day sports committee stated that he 9:15 11:06 8:15 5:10 had seen a member of the Star team who had said that the Stars wanted to try for the \$50 prize. He thought that they would consent to meet the Honolulu Athletic Club for a trophy.

It was decided to make the proposition to the manager of the Stars and Daily Daily Daily Some definite conclusion will be arrived Preliminary arrangements for the

> concert and dance to be held in Progress Hall on August 31st were made and the prospects of the coming football season were uniformly discussed. The Honolulu Athletic Club will undoubtedly put a strong team in the field and will probably call a meeting of footballers for the purpose of forming a league in the near future. Among prospective teams are: Honolulu Athletic Club, Oahu College, Maile Ilimas, Artillery and Hackfeld & Co. ...
